

Product information

Bike Gloss Spray Wax

PI 24/03/09/2020

Description

Cleans and preserves bicycles. Gives all paint and color finishes a smooth surface with a brilliant shine and outstanding depth of color after easily polishing. The protective layer left behind smooths out scratches and protects the paint from the weather. Light road grime and greasy contaminants can be removed quickly and easily without making scratches.

Properties

- excellent long-term protection
- high gloss mirror finish
- antistatic
- protects against aggressive environmental influences
- silicone-free

Technical data

Base	Wachse / waxes
Form	flüssig, aerosol / liquid, aerosol
Flash point	n.a. °C
Solubility	mischbar / mixable
pH value	n.a.
Color / appearance	weiß / white
Odor	charakteristisch / characteristic

Areas of application

An outstanding product for quickly sprucing up paintwork. Ideally seals paint surfaces against the weather. Also suitable for e-bikes.

Application

Surfaces which are heavily contaminated must be thoroughly cleaned with Bike Cleaner (part no. 6053) and dried before treatment. Then spray on a thin coat of Gloss Spray Wax, let dry and polish with a soft rag or microfiber cloth. Shake can before use.

Comment

- Not suitable for matt paints!**
- Do not spray onto hot surfaces or use in direct sunlight!**
- Do not use on polycarbonate plastics or acrylic glass!**
