

**gripone**<sup>®</sup>

MAKE YOUR EVERYDAY LIFE EASIER

**gripone**<sup>®</sup>

take heavy loads lightly with our  
smart shopping handles

# gripone®

Take heavy goods lightly and use it for nearly unlimited applications!

**Keeps together what belongs together!**

Optimizes the carrying pleasure of one or more bags and keeps everything together even when you put it down - very comfortable.

**Heavy hauling is history!**

Never again, you will have to worry about handles painfully cutting into your hand like beverage multipacks.

**A brand new shopping experience!**

It also optimally optimizes the carrying procedure of different bucket types! No matter if it is material for gardening or renovation work.

**Real all-rounder for more than just bags!**

Regardless if you are carrying bags, beverage multipacks, XXL detergent packaging, paint buckets, feed bags ...

# gripone®

#### Made of high quality parachute silk

RipStop fabric is a special weaving technique, which makes the very thin polyester fabric extremely tear-resistant and durable and therefore THE ideal material for long-lasting shopping bags!

#### First-class workmanship

The carrying handles were sewn out of the fabric and reinforced with contrasting coloured hems.

#### Lightweight and compact

Once stowed in the sewn-on tightening bag (10cm x 14cm), with total weight of just 50g, it is the ideal shopping companion.

#### True space wonder

Folded out offers the shopper with the dimensions 55cm x 8cm x 62cm amazingly stowage space for your purchases and fits folded into any Handbag or trouser pocket.

#### More details:

- RipStop parachute silk (Polyester)
- Elegant look - interplay with contrasting seams
- Extrem duarble - sewn seams all around twice
- Dimensions of the main bag 55 cm x 8 cm 62 cm and folded in the small sewed on pouch 10 cm x 14 cm
- Total weight of just 50g

## Carry more, shop more, have fun!

#### Why two bags if it makes also one?

The capacity of our XXL shoppers go far beyond the usual bag sizes and can be filled with up to 15kg.

#### Eco-conscious shopping with quality instead of quantity

Less plastic bags make a better environment, very simple!

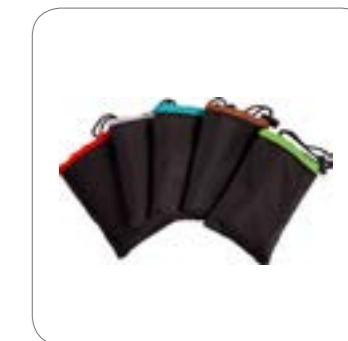

Reduce the per head consumption of today 71 plastic bags / year to a minimum with our high-quality and very durable shopping bags

#### Come in small - get out big

Manual for folding? - No thanks!

Whether you prefer folding, crumpling, or wrapping, it doesn't matter! Our attached sewed-on pouch are designed for every process you will prefer.

#### Available in the following colours:

red, peach, mint, brown, white and green
